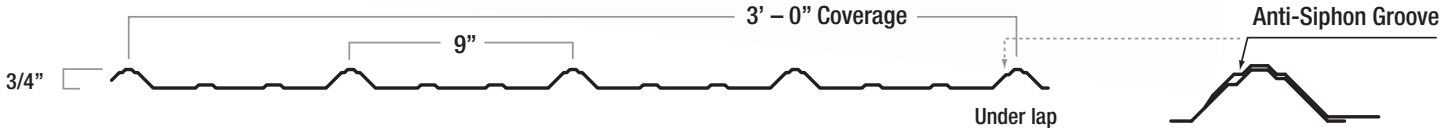
3' Tuf-Rib Panel Profile

A roof and wall panel with exposed fasteners



Bridger Steel's most economical interior/exterior panel with clean lines, it can be used for agricultural, commercial and residential applications. Featuring a 5 degree overbend on overlap combined with an anti-siphon groove on under lap for superior weather tightness.

Save money with Bridger Steel's 29 gauge standard colors, with lifetime film integrity and 40 year chalk and fade warranty. Coated with the highest quality and most advanced Ceramic Impregnated Silicon Modified Polyester (CSMP) paint system available. Many custom colors and KYNAR paint systems available in 26, 24 and 22 gauge. Please refer to color chart or visit BridgerSteel.com.

See our warranty page or visit BridgerSteel.com for more information. 25 yr warranty on Galvalume® substrate. Galvalume® substrate will outlast galvanized substrate 2-4 times. Select colors also available in 26 gauge. Refer to color chart for options. *Custom colors available with minimum order.

Bridger Steel specializes in architecturally appealing, unique profiles in various types of metals including, but not limited to, our rustic materials TRUTEN™ (A606 & 1008), Galvanized, Galvalume®, Bonderized, ReziBond®, and other custom metals. Custom trim and accessories available for all profiles. Local and nationwide delivery available on Bridger Steel Trucks.
